

When you're on the road, it's good to know that your phone is always sufficiently charged. That's where a printed power bank comes in handy! By printing the Aria 8.000 mAh 5W wireless charging powerbank with your logo and message, you're sure to generate extra publicity for your company! This powerbank has a capacity of 8000 mAh. This wireless powerbank has a PU cord. It supports both conventional charging of a mobile device via USB cable and wireless 5W charging. Compatible with all Qi-enabled devices. The USB input and output are 5V/2A. The wireless output is 5V/1A. Everything is delivered in a gift box. Because this power bank is made of acrylonitril butadiene styrene (ABS), aluminium it is hardly susceptible to impacts and can be carried in any pocket. This power bank has a weight of only 179 grams. So you can easily take it anywhere. The biggest advantage of laser engraving is the high-quality print, it won't fade quickly due to its high wear-resistance. With our many years of experience, our staff know better than anyone which power bank is the perfect match. So let us advise you on the best way to print power banks.
