

Power banks are extremely popular these days. They are perfect for when you are travelling and your phone suddenly runs out of power. Imagine having a power bank handy. When you have the Pocket-size 5.000 mAh powerbank printed with your logo, it gives your brand extra promotion. Power banks are taken everywhere, giving your company added visibility. This powerbank has a battery level indicator. The Micro-USB and Type-C inputs have 5V/2A. The USB output offers 5V/2.1A. With a power bank made of Stainless steel, you're assured of a product that will last. Weighing only 118 grams, you will hardly feel that you're carrying it around. And the best part is, you can order them from 5 pieces! Why not choose the laser engraving printing technique. The biggest advantage is the high-quality print. The permanent engraving leaves a stylish imprint that won't fade quickly due to its high wear-resistance. Do you want to increase your brand exposure? Have power banks printed with your logo and company name. From budget power banks to premium models in different shapes and sizes: we have it all! Need help making your choice?
