

Power banks with your logo are the ideal business gift for employees who are constantly on the road. That way, your company will always be visible, even when your staff is out of the office. When you have the Swiss Peak 8.000 mAh powerbank printed with your logo, it gives your brand extra promotion. Power banks are taken everywhere, giving your company added visibility. This power bank has a capacity of 8000 mAh. This means that a device with a battery of this size can be fully charged once. This powerbank made of durable aluminum with a lithium-polymer battery has a digital display that shows the charge level, so you always know when it's time to charge. Normal USB and Type-C can be used for charging. The powerbank can be charged faster than most powerbanks thanks to its 2A input and output. Input: 5V/2A; Micro USB input (for charging), Type-C input: 5V/2A, USB output: 5V/2.1A, Type-C output: 5V/2.1A. This power bank is made of aluminium. With a weight of 215 grams, you have a solid product in your hands. Thanks to the laser engraving technique, you can give this power bank a stylish print. The print is extremely durable thanks to the high wear-resistance of engraving. And if you think that printing a power bank is expensive, IGO Promo proves otherwise. We can print power banks cheaply and with outstanding quality.
