When you're on the road, it's good to know that your phone is always sufficiently charged. That's where a printed power bank comes in handy! Have the High Density 10.000 mAh Pocket Powerbank printed with your logo and message for a professional look. We are sure your customers and employees will love using it. The most important thing about power banks is the strength of the battery. This one has 10000 mAh. This powerbank has a dual USB port. The LEDs show the charging status of the powerbank. The USB and Type-C inputs and one of the USB outputs have 5V/2A. The other USB output is 5V/1A. This power bank is made of acrylonitril butadiene styrene (ABS). Weighing only 187 grams, you will hardly feel that you're carrying it around. You can order quickly and easily by filling in all your preferences on our order page, send us your logo and you will receive a digital print proof.
