

When you're on the road, it's good to know that your phone is always sufficiently charged. That's where a printed power bank comes in handy! IGO Promo can print the 2.500 mAh powerbank with your logo or other imprint. The moment you give it away, it immediately generates extra publicity for your company! One thing is certain, the recipient will be very happy. This power bank has a capacity of 2500 mAh. This means that a device with a battery of this size can be fully charged once. This powerbank has an input and output with 5 V/1 A. The delivery includes a micro-USB cable. The material used, acrylonitril butadiene styrene (ABS), makes the power bank particularly robust. Weighing only 65 grams, you will hardly feel that you're carrying it around. And if you think that printing a power bank is expensive, IGO Promo proves otherwise. We can print power banks cheaply and with outstanding quality.
