

Power banks are extremely popular these days. They are perfect for when you are travelling and your phone suddenly runs out of power. Imagine having a power bank handy. When you have the 8.000 mAh wireless 5W powerbank with type C printed with your logo, it gives your brand extra promotion. Power banks are taken everywhere, giving your company added visibility. This powerbank has a Type-C and a 5W wireless option for charging. It itself can be charged via the Micro-USB and Type-C port. It has suction cups to keep your smartphone in place while charging and a battery level indicator. The entrance is 2A. The output is 5V/2.1A. The wireless output is 5V/1A 5W. This power bank is made of acrylonitril butadiene styrene (ABS), Silicon, so you don't have to worry about the strength of the product. It won't break easily. Because it weighs 205 grams, you can count on a strong power bank! And you can order them from 5 pieces! By printing your logo or company name on a business gift, you increase brand awareness. And if you think that printing a power bank is expensive, IGO Promo proves otherwise. We can print power banks cheaply and promise outstanding quality.
