

With new workplace models, headphones are becoming increasingly important. Twist wireless headphones - a headset to remember. These in-ears include a hands free function to answer calls. Connecting to a device is easy via Bluetooth. The headphones can transmit to the connected device over a distance of up to 10 m. The battery installed in the headphones has a capacity of 250. When the battery is fully charged, it can provide 4 hours of earphone use. Would you like to try the headset for yourself before ordering? Simply order an unprinted sample and see the quality for yourself.
