

Everyone has a different preference when it comes to headphones. In-ear, on-ear, with bracket, wireless or true wireless. We have many very different models. Wireless business earbud - earbuds to remember. The earbud is suitable for both making phone calls and listening to your favourite music, thanks to the included microphone. With one simple click you can choose one or the other. Connecting to a device is easy via Bluetooth. The headphones can transmit to the connected device over a distance of up to 10 m. When the battery is fully charged, it can provide 1.5 hours of earbuds use. The earbuds take 1.5 h to recharge fully. Would you like to try the earbuds for yourself before ordering? Simply order an unprinted sample and see the quality for yourself.
