

Most people start the day with a warm drink – tea, coffee or even hot chocolate. So the day starts with a mug. If this is a printed mug with your logo, you accompany the user throughout the day. Are you looking for a mug that will draw attention? The Coffee to go tumbler is definitely the right one for you. The mug holds 160 ml. The insulation keeps a drink at the right temperature. Beverages can be kept warm for up to 3 hours. Beverages stay cold for up to 6 hours. Thanks to its low height, this cup fits under almost all household coffee machines. This mug is made of Polypropylene, Stainless steel. With your logo or other imprint you make the right impression with mugs! Printed mugs ensure your logo or other imprint of your company is always seen.
