

Give card holders with your logo to make a lasting impression! C-Secure RFID cardholder & coin/key wallet - an article that draws a lot of attention and therefore also to your company. The material of this credit card holder is Polyurethane, Aluminium. This card case is RFID protected. This means that the cover protects the cards, which are mostly activated for contactless payment, from unauthorized access. Up to 7 cards fit in the holder. A laser engraving gives this logo card holder a particularly elegant look. Do you like this credit card case? Then order it now quickly and easily online.
