Are you looking for a promotional item that your customers or business contacts will have in mind almost every day? Then a card holder with logo is the right choice for you. 3-in-1 Phone Card Holder RFID - an article that draws a lot of attention and therefore also to your company. This credit card holder is made of Polyurethane. This card holder is designed to be attached to the cellphone. Most cards have so-called RFID technology, in which a chip can transmit data "contactless", as is used in many places for payment. This card case protects against unauthorized access to the card by third parties. Up to 2 cards fit in the holder. For an extra luxurious look, you can have the card cases engraved. You can get our promotional items at low prices anyway, but always remember: the more credit card cases you order, the cheaper the unit price will be.

Do you have a specific question or do you want more information about this item, please call 1800 800 801.
