Those who travel prefer to take their hygiene items with them in a toiletry bag. If you have a toiletry bag printed with your logo, your company can go on a journey with the recipient. Have the Impact AWARE™ RPET toiletry bag printed according to your wishes. This cosmetics bag is made of Recycled polyethylene terephthalate. It boasts a spacious main compartment and a front zippered pocket provides additional storage space for small necessities. By the way, this toilet case was made with an AWARE™ tracer. AWARE™ guarantees that genuine recycled fabric materials have been used and that the water reduction claims are correct. This is done through disruptive physical tracers and blockchain technology. So you're proven to save water and use real recycled fabrics when you choose an Impact item. With this toiletry bag you already save 5 liters of water. 2% of the revenue from each Impact product sold are also donated to Water.org. Water saving claims are based on numbers compared to traditional fibers. This calculated figure is based on reliable LCA data published by Textile Exchange in their 2016 Material Snapshots. Inexpensive toiletry bags with a logo can also be a real hit. Order now and soon surprise your customers and other business contacts with your stylish toilet case!
