It's always convenient to have a power bank ready in this digital age. You never know when you might need to recharge your mobile phone. Have the Pep 4000 mAh power bank printed with your logo and message for a professional look. We are sure your customers and employees will love using it. This power bank has a capacity of 4000 mAh. This means that a device with a battery of this size can be fully charged once. This power bank corresponds to the currently most common size of charging capacity. This powerbank has LED indicators that light up during charging and show the remaining battery capacity. It has a 5V/1A input and a 5V/1A output and is packaged in a white gift box. This power bank is made of Aluminium. Moreover, it has a weight of only 122 grams! So it is easy to take with you! Thanks to the laser engraving technique, you can give this power bank a stylish print. The print is extremely durable thanks to the high wear-resistance of engraving. Haven't decided yet? No problem, you can always call us, send us an e-mail or contact us via chat.
