Round, compact barbecue table from the Gusta brand, with a wooden handle, a grid and a wooden cover which can be used as a serving board. This barbecue table has a diameter of 35 cm and is ideal for use on a terrace, balcony, or campsite. This barbecue is lightweight and has a metal, matte black finish. Note: when using this product as a barbecue, only use it on a heat-resistant surface. The wooden board is intended as a chopping/serving board and not as a base with which to stand the barbecue on. NOTE: Due to the natural grains and contours of bamboo, we cannot guarantee consistency in depth/colour of the engraving.
