Getting laptop bags printed has many advantages, such as a large print area and the fact that the bag is taken everywhere. With the Baikal GRS RPET 15" laptop bag you're making an excellent choice for printing laptop bags. The laptop bag is also GRS certified. The Global Recycle Standard (GRS) is an international, voluntary, full-fledged product standard that provides independent certification of recycled materials, chain of custody, social and environmental practices, and chemical restrictions. The bag is perfect for 15 inch laptops or tablets. Would you like your logo to be seen everywhere? A laptop bag is the ideal product for broad exposure. Get it printed with your logo and company name. Are you looking for a quality bag? The material of this laptop bag is made of 300D of GRS certified recycled polyester. A good choice! RPET is recycled PET, sometimes out of old bottles or any other PET material, therefore basically this material is taking waste out of our environment. With a weight of 535 grams, you get a sturdy bag that stores your laptop safely wherever you go. Laptop bags are the ideal gift to give to your employees and business relations. Choose a quality product at a competitive price!
