Headwear is a popular promotional item. Hats with a logo are often given to customers as gifts, but employees also like to use them – especially when they work outdoors, for example. Have the article Impact AWARE™ classic beanie with Poly lana® printed according to your wishes. The printable beanie is made of Acrylic. By the way, this hat was made with an AWARE™ tracer. AWARE™ guarantees that genuine recycled fabric materials have been used and that the water reduction claims are correct. This is done through disruptive physical tracers and blockchain technology. So you're proven to save water and use real recycled fabrics when you choose an Impact item. With this headwear you already save 5 liters of water. 2% of the proceeds from each Impact product sold are also donated to Water.org. Water saving claims are based on numbers compared to traditional fibers. This calculated figure is based on reliable LCA data published by Textile Exchange in their 2016 Material Snapshots. We sell our logo headwear cheaply. Order now!
