Whether it is a city trip, short trip, business trip or trip around the world, a toiletry bag is the ideal travel companion for hygiene items. So if you give away a toiletry bag with your logo, your company will travel with the recipients. Are you looking for a travel toiletry bag? The Impact AWARE™ basic RPET toiletry bag is certainly the right one for you. The material used for this cosmetics bag is Recycled polyethylene terephthalate. By the way, this toilet case was made with an AWARE™ tracer. AWARE™ guarantees that genuine recycled fabric materials have been used and that the water reduction claims are correct. This is done through disruptive physical tracers and blockchain technology. So you're proven to save water and use real recycled fabrics when you choose an Impact item. With this toiletry bag you already save 0.84 liters of water. 2% of the revenue from each Impact product sold are also donated to Water.org. Water saving claims are based on numbers compared to traditional fibers. This calculated figure is based on reliable LCA data published by Textile Exchange in their 2016 Material Snapshots. Inexpensive toiletry bags with a logo can also be a real hit. Order now and soon surprise your customers and other business contacts with your stylish toilet case!
