Printed sweatshirts get a lot of attention. They are chic and come in many colors and designs. With the Charon men's hoodie you are choosing an excellent sweater to print on. The material of the jumper is 50% cotton and 50% Polyester, 240 g/m². The sweatshirt is a men's polo. Most of our jumpers are available for men and women. This jumper is also available in plus sizes. As a rule, sweaters have large and different printing areas, so that this is where you get the greatest possible attention for your logo. In case of digital transfer it is not possible to choose white as a single logo colour on a coloured variant. Please choose transfer in this case.
