We all know stress is not good for us. Stress items are great for relieving the tension or anger that leads to stress. That's why many are happy about such a kneading ball, also called a rage ball. Opt for the Anti-stress football printed with your company name. We make sure the print makes the best impression. Although people like to refer to these items as a stress ball, in this case it is not a ball, but has the shape of a football. This way your advertising gets a little more attention than conventional foam balls with a logo. This stress ball is sure to make a statement with your logo and is not just a traditional foam ball with it. Benefit from our low prices. The more anti-stress items you order, the cheaper it will be for you! Printed stress items from IGO Promo are definitely the right item for cheap and highly visible advertising for your company.
