Markers can be used to mark passages in texts, to mark important results in color in a presentation or for children to draw. Give away printed markers so that your company is always present at these events, whether fiber pens or highlighters. If you have the Injection highlighter printed with your logo and/or company name, you always make a good impression! Printed highlighters are very popular in everyday office life and in college. In the daily life people need emphasize something, just like you do your company with a highlighter with a logo. Transparent injection highlighter. Colour indicates writing colour. Have you found the perfect marker for your desires? Then we look forward to your order, but remember: the more markers or highlighters you order, the lower the price. These highlighters are ideal for putting your logo, contact details or slogan on them. This is how your company is seen every day - and not just by the user.
