

Metal writing set with a ball pen and rollerball with elegant soft-touch finish. It features a solid metal clip and both the ball pen and rollerball have a refill with blue writing ink. Attention: Only the ball pen with print can be ordered via the website. If you would like to have the print on both pens or on a different pen, please contact us and we will be happy to make you an offer. Of course, this can also be combined with the print on the packaging.
