 Weight: 17.00 g.

Highlighters and felt-tip pens can generally be summarized under the term markers. These are used on many important occasions, e.g. for brainstorming or for marking texts, but they can also be entertaining because children like to draw with them. So you can make a good impression with markers. If you have the Highlighter R-PET printed with your logo and/or company name, you always make a good impression! Printed highlighters are very popular in everyday office life and in college. In the daily life people need emphasize something, just like you do your company with a highlighter with a logo. This highlighter is made from recycled PET bottles. Highlighting or underlining notes is very easy by using these markers. The point is a Chisel-tip for marking (5mm) or underlining (2mm). The marker is made of abs. No matter what budget you are planning, you are sure to find the right marker and highlighter with us. Always make an impression with your imprint on these highlighters.
