It's always convenient to have a power bank ready in this digital age. You never know when you might need to recharge your mobile phone. When you have the Powerbank bamboo with solar panel 8.000mAh printed with your logo, it gives your brand extra promotion. Power banks are taken everywhere, giving your company added visibility. This power bank has a capacity of 8000 mAh. This means that a device with a battery of this size can be fully charged once. Would you like to provide your office with an emergency charger? Then a power bank of this strength is just the thing. Because not only mobile phones and tablets can be supplied with power, some notebooks can also be given the appropriate power. Charge up to 3 devices at a time. Comes packaged in a gift box. Powerbank charging cable included. This power bank is made of bamboo. With a weight of 236 grams, you have a solid product in your hands. The biggest advantage of laser engraving is the high-quality print, it won't fade quickly due to its high wear-resistance. Haven't decided yet? No problem, you can always call us, send us an e-mail or contact us via chat. Please keep in mind that the colour may vary with laser engraving on natural products like bamboo
