

In the past, drawstring bags were mostly seen as gym bags for children, today they are popular with young and old and are very versatile. Are you looking for a practical backpack to carry all your gear? The non-woven PromoBag backpack is the perfect match! With a backpack made of light synthetic material, you know you're making a responsible choice. The material is eco-friendly, so you're contributing to a better environment. The material of this bag is made of light synthetic material, ensuring you will receive a quality bag that will last a long time. With a weight of 40 grams, you'll hardly notice that you're carrying a bag on your shoulders. Imagine your company's logo printed on this bag? Then your brand name could travel everywhere.
