Highlighters and felt-tip pens can generally be summarized under the term markers. These are used on many important occasions, e.g. for brainstorming or for marking texts, but they can also be entertaining because children like to draw with them. So you can make a good impression with markers. If you have the BIC® Mark-it Permanent Marker printed with your logo and/or company name, you always make a good impression! Life just gets more colorful with markers with a logo. Fade-resistant, bright and quick drying ink for clean and precise writing. Textured rubberised grip for comfort and control. BIC pens are designed to have a particularly long life. So everyone at school, at home and in the office will have something of the writing instrument they have chosen for a long time. The material of this product is abs. Have you found the perfect marker for your desires? Then we look forward to your order, but remember: the more markers or highlighters you order, the lower the price. Send us your logo and you will receive a digital proof before production starts. We only start production once you have confirmed this. So you are on the safe side when you receive your printed markers.
