The Moleskine XL planner is a daily buddy for organizing events from January to December 2023. The inside features monthly and weekly spreads for long-term and day-to-day projects. There is also a section to map and track monthly objectives, a password keeper, detachable task lists and pages for note taking and brainstorming. Featuring a hard cover made of innovative Italian crush and remake paper, a flexible and sturdy spiral binding made of cork, ivory-coloured 100 g/m² acid free paper, rounded corners and elastic closure.
