Capacity: 0 ml

Length: 5.50 cm.

Width: 12.40 cm.

Height: 11.00 cm.

Diameter: 0.00 cm.

Weight: 274.00 g.

Be awakened by one of the 20 preset stations on this clock radio or by the buzzer. The dual alarm is not lacking either, and the presence of the AUX jack allows you to easily connect an external device to this clock radio. The alarm clock works on mains power and is equipped with a backup facility (battery).
