

**Colour****Features**

Minimum quantity: 2 Unit(s)
Material: abs
Capacity: 0.0 ml
Length: 10.10 cm.
Width: 10.10 cm.
Height: 22.60 cm.

Diameter: 0.00 cm.
Weight: 1,124.00 g.

Big on power, big on performance. Be blown away by the powerful bass or connect two Bold L2 speakers to amplify the volume even more. Double the volume by wirelessly connecting two Bold L2s. Use Party mode, connect two devices and take turns deciding what music you want to listen to. Pool or beach parties are no problem with this speaker, as it is completely waterproof. The 12° tilted placement of the driver ensures crystal clear sound, together with the fantastic bass you can fully enjoy your music everywhere.
