

The Allen bamboo hex key tool set is the essential tool kit whether you're tackling DIY projects or assembling furniture. The set includes 8 hexagon wrenches crafted from durable carbon steel, ensuring both strength and corrosion resistance. With sizes ranging from 1.5 mm to 6 mm, you'll have the right tool on hand for various tasks. The certified bamboo holder not only keeps your hex keys organised, but also serves as a stylish, practical, and more sustainable addition to your workspace. Since bamboo is a natural product, there may be slight variations in colour and size per item, which may affect the final printing outcome. Packed in a STAC gift box from sustainable sources.
