The Urban Vitamin Sunnyvale powerbank is a state-of-the-art charging solution designed to meet the demands of modern life. With a robust 15,000 mAh capacity and support for 100W ultra-fast charging, this powerbank ensures all your devices, including laptops and MacBooks, stay powered up at lightning speed. It features a high-quality TFT colour display that provides real-time updates on charging speed and other essential details for ultimate convenience. What sets the Sunnyvale apart is its integrated 15W wireless magnetic phone stand, allowing you to charge your phone wirelessly while keeping it perfectly positioned for hands-free use. With three output ports—two USB-C and one USB-A—and the wireless charging option, the Sunnyvale can charge up to four devices simultaneously, making it a versatile companion for any situation. Crafted from durable aluminium, the Sunnyvale combines a premium look and feel with a compact, portable design. PVC free.
