

The Prisma RCS recycled plastic 16W Speaker combines exceptional audio performance with durability and low impact. Featuring a powerful 16W output and double subwoofers, this speaker delivers deep bass and crisp sound for an immersive listening experience. With an IPX4 waterproof rating, it's built to withstand splashes and light rain, making it ideal for both indoor and outdoor use. The integrated carry handle and rechargeable 1500mAh li-ion battery provide portability and up to 7 hours of playtime at 50% volume, while BT 5.3 ensures seamless connectivity and auto pairing. The Prisma also includes a microphone and pickup function, perfect for hands-free calls. The case is made from RCS certified recycled ABS plastic and RPET fabric. RCS (Recycled Claim Standard) is a standard to verify the recycled content of a product throughout the whole supply chain. Total recycled content: 37% based on total item weight. This speaker is PVC-free and packaged in an FSC-certified kraft box.
