Weight: 45.00 g.

Markers can be used to mark passages in texts, to mark important results in color in a presentation or for children to draw. Give away printed markers so that your company is always present at these events, whether fiber pens or highlighters. If you have the Bloom highlighter printed with your logo and/or company name, you always make a good impression! With a printed highlighter you can mark everything that is important in everyday office life. But students or participants in a training course are also happy about a highlighter with a logo. This highlighter has the shape of a flower. These markers are coming in the colours pink, blue, green, yellow and orange. The marker is made of synthetic material. No matter what budget you are planning, you are sure to find the right marker and highlighter with us. Always make an impression with your imprint on these highlighters.
