

Double-walled, vacuum-insulated stainless steel Contigo® water bottle with AUTOPOP® technology. When closed, the drinking spout is protected against dirt and microbes. The bottle is only suitable for cold, non-carbonated drinks. These stay cold for up to 24 hours. Thanks to the leak-proof design, you won't spill anything in your car, on your desk or wherever you are. The integrated handle makes the bottle easy to carry. Fits most cup holders. The bottle and lid are top-rack dishwasher-safe. Washing by hand is recommended to preserve the imprint. Capacity 590 ml. STOCK AVAILABILITY: Up to 1000 pcs accessible within 10 working days plus standard lead-time. Subject to availability. Contigo: The best in quality, design and technology. Immediately recognisable by its sleek and stylish design, strong and solid. The innovative water bottles and thermo cups are odourless, tasteless and BPA-free. The drinking bottles are operated one-handed and guaranteed to be 100% leak-free, so can be used anywhere, anytime, also on the go. Comes with a 2-year manufacturer's warranty.
