Printed mugs are eye-catching. They are particularly popular when the imprint has a catchy slogan. The SteelMug 220 ml drinking cup is the right mug for your company promotion.

Mugs like those with a handle are the most popular. The mug has a capacity of 220 ml. It has insulation to keep the drinks at the right temperature. Thanks to its low height, this cup fits under almost all household coffee machines. This mug is made of stainless steel. The advantage of mugs is that they are always seen! Printed mugs ensure your logo or other imprint of your company is always seen.
