A printed thermos article that keeps your drink warm for hours and hours isn't just for on the road. You can use it at home, at the office or while exercising. The Geometric Mug 280 ml thermo cup is ideal for printing your message or logo. Thanks to the many possibilities to print on the thermos article, you can give your brand the publicity boost it needs. This thermal mug is leakproof with its click opening. It has a chic, non-slip 3D diamond pattern. The non-slip floor ensures a secure footing. This product is made of stainless steel, so you don't have to worry about the strength of the product. It won't break easily. With a weight of 190 grams, you have a solid product in your hands. Don't feel like constantly getting up to refill your glass? This product has a generous capacity of 280 ml. Do you want to be sure your mug or flask doesn't leak into your car or bag? Then we have the solution because this one is 100% leakproof! Nowadays, we are increasingly aware of the environment. A thermos contributes to a sustainable world by reducing the production of disposable plastic.
