Pencils are mostly used for artistic sketching and drawing, for shorthand or for note-taking. Not every pencil is suitable for every purpose, but in the end it is your own conviction that decides on a mechanical pencil or a conventional pencil. The Cross Classic Century Lustrous Chrome Pencil is the perfect pencil for everyday use. Includes 3 HB refills (0.7 mm) and a pencil eraser. Each piece comes in a Cross gift box. With a pencil from Cross, you are choosing a traditional item. The AT Cross Company was one of the first manufacturers of fine writing instruments in the US. The company sees it as its mission to create a superior writing experience through innovative design, uncompromising quality, and outstanding service. This pencil is made of metal. Have you found the perfect pencil for your desires? Then we look forward to your order, but remember: the more you order, the lower the price. The Cross Classic Century Lustrous Chrome Pencil is ideal for displaying your logo, contact details or slogan. This is how your company is seen every day - and not just by the user.
