A printed thermos article that keeps your drink warm for hours and hours isn't just for on the road. You can use it at home, at the office or while exercising. Thermos flasks and mugs are products that last a long time. Recipients take them with them to work, in the car or even on holidays. Take full advantage by printing your logo and company name on the Graphic Grip Mug 300 ml thermo cup. The thermal mug has a click opening and a 3D diamond pattern. It also has a non-slip base for a secure stand. Because this thermos product is made of stainless steel, you don't have to worry about it breaking. And being so solid, it won't leak easily! On top of that, the product has a weight of 150 grams. So you know you have a quality article in your hands with good insulation properties. Don't feel like constantly getting up to refill your glass? This product has a generous capacity of 300 ml. Are you looking for a thermos flask or mug that is leakproof? With the Graphic Grip Mug 300 ml thermo cup you don't need to worry about spilling drinks in your car or your bag, or over the paperwork on your desk. Thanks to this thermos, your logo and message will remain visible to the recipients for a long time.
