Wow! Double-walled, leak-proof water/thermos bottle made from recycled stainless steel. Supplied in a modern matte finish with matching screw cap, this bottle has a striking appearance. This slim bottle will fit cup holders in a wide range of cars and is the perfect thirst quencher whilst on the go. RCS-certificated. Total recycled material: 85%. Capacity 500 ml. Stainless steel can be recycled many times whilst retaining the quality of the material. By using recycled stainless steel, fewer new raw materials are needed. This means less energy consumption and less use of water. A responsible choice.
