Does your brand stand for enjoying life, staying active and working on your health? Then a printed drinking bottle is a perfect match to get your brand or message out. A Swing Steel 500 ml drinking bottle is ideally suited for printing with a logo or message. And thanks to the many uses of a drinking bottle, each print will give you extra visibility. This bottle has a screw cap and is suitable for maintaining the temperature of cold or hot drinks. The delivery is packed per piece. Are you looking for a leak-proof bottle? Then you have found it here! Are you looking for a bottle made of stainless steel;silicon? then choose this one. The extremely solid construction of stainless steel;silicon ensures that this bottle doesn't leak or crack easily if it's dropped. And just as important, your logo stays visible for years to come. Laser engraving is possible with this water bottle. This not only shows your logo precisely, but is also scratch-resistant. With a volume of 500 ml, there is plenty of room for your favourite beverage. Aren't convinced of the bottles quality yet? Request a sample and see for yourself whether it is what you're looking for.
