Weight: 364.00 g.

Flashlights with a logo are very popular as promotional gifts and are often used. The MaxiStar giftset is a great item that your customers, employees and suppliers will love. Very bright LEDs are installed in this torch. This lamp has exactly 9 built-in light emitting diodes. Functional and complete gift set: 9-piece stainless steel multi tool with 12 functions (tongs, wire stripper, saw, 2 screwdrivers, can opener, cap lifter, file, knife, phillips screwdriver, fish scraper, hook removal tool) and aluminium handle and metallic look. This flashlight draws its power from AAA. Of these, she needs exactly 3. The required number of batteries are included. A logo can be heavily used on items such as flashlights that tend to end up in handbags, jacket pockets or trouser pockets. Therefore, we recommend an indestructible laser engraving. Regardless of your budget, you are sure to find the right torches with us. The torches are ideal for printing your logo, contact details or slogan. This is how your company is seen every day.
