When you're on the road, it's good to know that your phone is always sufficiently charged. That's where a printed power bank comes in handy! By printing the PocketPower 5000 Powerbank external charger with your logo and message, you're sure to generate extra publicity for your company! This power bank has a capacity of 5000 mAh. This means that a device with a battery of this size can be fully charged once. This powerbank has an input of 5 V/2 A and a double output of each 5 V/2 A. The delivery includes a 50 cm long micro-USB charging cable (2 A) and user manual per piece in a box. Because this power bank is made of synthetic material it is hardly susceptible to impacts and can be carried in any pocket. Moreover, it has a weight of only 103 grams! So it is easy to take with you! With our many years of experience, our staff know better than anyone which power bank is the perfect match. So let us advise you on the best way to print power banks.
