Power banks with your logo are the ideal business gift for employees who are constantly on the road. That way, your company will always be visible, even when your staff is out of the office. You use the bamboo 8000 Wireless Powerbank wireless charger more often than you might think, for instance during holidays, while on the road or when spending a day at the beach. The most important thing about power banks is the strength of the battery. This one has 8000 mAh. This powerbank has an integrated 5W charging function for wireless charging of mobile devices that support Qi wireless charging. The input is 5V/2A (Type-C and Micro-USB) and an output is 5V/2A. The wireless output is 5V/1A (5W). The delivery includes a 50 cm long micro USB charging cable (2 A), indicator lights, on/off button and user manual per piece in a box. Because this power bank is made of bamboo it is hardly susceptible to impacts and can be carried in any pocket. With a printed power bank made of this material, you are making a clear decision in favor of the environment. Weighing only 186 grams, you will hardly feel that you're carrying it around. The biggest advantage of laser engraving is the high-quality print, it won't fade quickly due to its high wear-resistance. Haven't decided yet?
