Power banks with your logo are the ideal business gift for employees who are constantly on the road. That way, your company will always be visible, even when your staff is out of the office. Have the aluminium 8000 Wireless Powerbank wireless charger printed with your logo and message for a professional look. We are sure your customers and employees will love using it. The most important thing about power banks is the strength of the battery. This one has 8000 mAh. This powerbank charges mobile devices quickly via the USB ports and has a built-in 5W wireless charging function for wireless charging of mobile devices that support Qi charging. The input and output are 5V/2A. The wireless output is 5V/1A (5W). The delivery includes a 50 cm long micro-USB charging cable (2 A), indicator lights, on/off button and user manual per piece in a box. The material used, aluminium, makes the power bank particularly robust. With a weight of 220 grams, you have a solid product in your hands. The biggest advantage of laser engraving is the high-quality print, it won't fade quickly due to its high wear-resistance. From budget power banks to premium models in different shapes and sizes: we have it all! Need help making your choice? Then get in touch with us!
