Width: 6.20 cm.

Height: 0.70 cm.

Weight: 51.00 g.

Practical, environmentally responsible 10W charger for wireless charging of mobile phones. Made of 100% recycled PET, both the casing and the textile. A beautiful combination. One and a half old PET bottles were recycled to produce this charger. Compatible with all mobile devices that support Qi wireless charging (newest generations Android and iPhone). Input 5V. Output: 5V/2A. Includes micro-USB charging cable and user manual. INFO: If you request samples of this product, you will receive dummy samples. INFO: If you request samples of this product, you will receive a non-functioning "dummy" version of the device. Each item is supplied in an individual brown cardboard box.
