A pen can be used for a to-do list, to write down notes or leave a message. A perfect opportunity to draw attention to your brand with a printed pen. You use a good pen every day. With your logo printed on the USB TouchPen pen, you ensure that your company gets maximum exposure every day. This ballpoint pen features high-gloss metal accents and a twist-click system. What makes it special is the USB stick hidden inside the pen. This can be used immediately thanks to the "Plug & Play" system, usable under Windows, Mac and Linux. The delivery takes place with instructions for use per piece in a packaging. Feel free to ask us about additional options, such as a data upload that can be deleted/secured or your logo as a computer drive. Are you looking for a pen made of synthetic material;metal? Then choose this one. Additionally, you can order them from 100 pieces. Whether you hand them out to your customers or your staff, you will always make a good impression with a personalized USB TouchPen pen.
