Whether you're on your way to work or on a day trip, a mug or bottle is always useful. An excellent time to reinforce your brand exposure with a printed thermal article. The Thermotop 500 ml thermo bottle is perfect for printing your logo and message. It promotes your brand inside and outside the home. Take advantage of the printing possibilities to increase your brand awareness. This thermal bottle has a pressure cap. Because this thermos product is made of stainless steel, you don't have to worry about it breaking. And being so solid, it won't leak easily! With a weight of 439 grams, you have a solid product in your hands. Don't feel like constantly getting up to refill your glass? This product has a generous capacity of 500 ml. Nowadays, we are increasingly aware of the environment. A thermos contributes to a sustainable world by reducing the production of disposable plastic.
