A torch is an important item. Everyone should have a torch in the car, and those who walk or cycle a lot should carry one with them anyway. You can't go wrong with the Mini Maglite®/Victorinox set. In combination with an original 5-piece Victorinox pocket knife (6 functions) - a practical and enduring gift set. Light range 96 metres. 14 Lumen. Offers up to 5¼ hours of light from just 2 batteries. Includes spare bulb and batteries. Each set in a case. Please note local rules may apply regarding the possession and/or carrying of knives or multitools in public. The Mag Instruments are all designed and manufactured in the USA. The company strives for quality and efficiency in all items produced, including reducing any wasted time and materials. Thus, the MagLite flashlight is an effective item, from production to use, and your logo adorns a truly high-quality flashlight. This flashlight draws its power from AA. Of these, she needs exactly 2. The number of batteries used is included. Laser engraving is the technique we recommend, especially for flashlights and other tools. This is abrasion-resistant and almost indestructible. Regardless of your budget, you are sure to find the right torches with us. Send us your logo and you will receive a digital proof before production starts. We only start production once you have confirmed this.
